6th August 2007

Dear Peter,

Thank you very much for your efforts in recovering the failed e-mail server. The service and your staff were fantastic.

How satisfying that the contracts viability has been proved on day 1.

Please pass on my thanks to the 3 engineers involved who worked tirelessly and did not leave until the complete solution was in place. The engineers were Keith Wing, Jas Sagoo and Mark Heynes.

Yours sincerely

C A Marsh
IT Manager
